

EZ-Tex

Multipurpose Epoxy Kit

Marine Epoxy Repair Compound

-  Easy to use 1:1 mix ratio epoxy repair compound for fixing cracks, gouges, voids and holes
-  High strength formula makes repairs permanent
-  100% waterproof when cured – Can be used above and below the waterline
-  Will not sag, shrink or run

EZ-Tex is an easy to use marine epoxy repair compound for use where a high strength, waterproof, permanent repair is needed. This unique formula creates a tenacious bond to most surfaces. Its buttery consistency will not sag or shrink and is excellent for filling cracks, gouges and voids. A 1:1 ratio makes mixing easy. EZ-Tex can be sanded, drilled, tapped, sawed and painted once cured. Product #7100
